ALCOHOL, SMOKING AND OTHER DRUGS - POLICY

This policy applies to any function that is organised by the Frenchs Forest Public School P&C Association (P&C) and any person attending the function.

ALCOHOL

The consumption of alcohol is not permitted at any P&C function (including those conducted outside school premises) at any time when school students, from any school, are present.

The P&C Association does not hold and does not intend to apply for a liquor license from The Office of Liquor, Gaming and Racing. Therefore, the P&C cannot at any of its organised functions offer complimentary alcohol (e.g. as part of admission) nor can they serve or sell it.

Alcohol can only be consumed at P&C functions when they are held at licensed premises, and that premises holds a current liquor license and fully complies with the current NSW Responsible Service of Alcohol (RSA) legislation.

P&C functions may not allow BYO alcohol, unless the function is held at a licensed venue, and the licensed venue permits BYO alcohol under their liquor license.

For any P&C function intended to be held at a licensed venue, the following conditions must be met:

- The organiser of the function obtains the following in writing at least two weeks prior:
 - Permission to have the function from the school Principal.
 - Confirmation from the proposed venue that it holds a current liquor license.
- No students from any school may attend the function or be present during it.

SMOKING

Smoking is not permitted at any P&C function that is held on the school grounds.

OTHER DRUGS

For reasons of health and safety and compliance with applicable legislative requirements, the possessions and or consumption of illicit drugs or any other substance which impairs performance is prohibited any P&C function, regardless of location.
